Registration Category

Early Bird registration is available until Jan 21 2008. The final registration deadline is Feb 4. We offer three types of registrations: regular, sponsored (if you cannot afford the regular fees), and sponsoring (supporting another woman's registration). If you are able to afford it, we would appreciate your sponsoring registration. This supports participants who would otherwise not be able to attend the CWC.

Presenters at CWC 2008 can attend the whole congress for free but still need to register.
